## Target score:

<100	You really didn't try did you?
100-200	A good effort, but were you really paying attention, or did the cat get in the way of the zoom feed?
200-250	You clearly have good listening and attention skills
250-300	Wow! You've got this Budget drafting gig down to a tee
300+	Seriously? You should try venturing out and exploring other things in life (post COVID of course)
